

One Day At A Time

I'm glad life is given us bit by bit,
In minutes, and days and years;
For if we were faced
with the whole of it
How filled it would be with fears;

With all of its laughter, and all of its pain,
Its sorrow and joy and care
Why, even its beauty all at one time
Would be more than we could bear.

But God drops a bit of happiness here,
And lowers a shadow there,

And each of us has his portion of both,
The bitter and the fair.
And, whether the way be rough or fine,
It's a comforting thing to know
We've only one step to take at a time,
Just one little day to go.
