

### The Lords Love

I sent you to the earth my child,  
 to see what you would do.  
 Never did I force the things  
 you did not like to do,  
 I picked you up when you fell down,  
 and carried you across the pond.  
 Then I set you down again,  
 and I said, "you carry on."  
 I loved you then, I love you still,  
 and I always will.  
 And that is the reason I will not,  
 nor can I force your will.  
 You choose the road you want to go,  
 because that is your will,  
 but if you find that you are in the wrong,  
 I will love you just as much,  
 because that is my will.
