

*One night I had a dream.
I was walking along
the beach with the Lord,
and across the skies flashed
scenes from my life.
In each scene I noticed two sets
of footprints in the sand.
One was mine,
and one was the Lord's.*

*When the last scene of my life
appeared before me,
I looked back at the footprints in the
sand, and to my surprise I noticed
that many times along the
path of my life there was only one set of footprints.
And I noticed that it was at the lowest and saddest
times in my life.*

*I asked the Lord about it. "Lord, you said that
once I decided to follow you, you would walk with
me all the way.*

*But I notice that during the most
troublesome times in my life there is
only one set of footprints.
I don't understand why you left my
side when I needed you most."*

*The Lord replied, "My precious child,
I love you and would never leave
you. During your times of
trial and suffering, where you see
only one set of footprints, I was
carrying you."*
