

For Dad With Our Thanks

*He was the one who made sure you had everything you needed,
most of what you wanted and, always, all of his love.
And one day it occurred to us that for all those years,
everything he did... he did for us.*

*Dad, we can look back and see that you really always wanted the best for us,
and we know how hard you worked to get it.
And even though we may not agree on everything,
you've taught us to think things through, to care, and to do what's right.*

*Today we just want to say thanks for all you've done—
and tell you that we feel proud and lucky that you're our Dad.
We love you,*
