

NURSING is love made visible.
Nothing speaks so loudly, or is
heard so plainly, as the silent
steps or the gentle whisper of
a caring nurse. Next to love,
compassion is the sweetest
expression of the human heart.
NURSING is the gentle art of caring.
Nothing is so strong as gentleness,
nothing so gentle as real strength.
Care is a beautiful thing.
We are never nearer to God than
in our compassionate moments.
Every act of kindness is
God's caring that you see.
A nurse is God's angel of mercy.
Nothing the heart gives is gone;
it is kept in the hearts of others!!

Peace Prayer of St. Francis

Lord, make me an instrument of your peace;
where there is hatred, let me sow love;
where there is injury, pardon;
where there is doubt, faith;
where there is despair, hope;
where there is darkness, light;
and where there is sadness, joy.

Grant that I may not so much seek
to be consoled as to console;
to be understood, as to understand;
to be loved, as to love;
for it is in giving that we receive,
it is in pardoning that we are pardoned,
and it is in dying that we are born to eternal life.

GOD IS NEVER BEYOND OUR REACH

God is never beyond our reach
He's only a prayer away.
Trust Him always, look to His love
He's watching and waiting today.

When trouble comes and things go wrong
And you've reached the end of your rope.
Just tie a knot and hang on tight
Look to God for with Him there's hope.

When skies above seem dark and gray
And clouds hold promises of rain,
Count your blessings, trust in the Lord
Soon the sun will shine forth again.

When day is done and shadows fall
And the night seems dark and long,
Worry not then O child of God
Sleep, for soon cometh the dawn.

His love endures forevermore
There never was such a friend,
Thus He stands so eager to help
With courage right to the end.

He, God's never beyond our reach
He's only a prayer away,
Trust Him always, look to His love
He's watching and waiting today.
