

## *Life Well Lived*

Death jogs our minds about what's most important.

It separates wheat from chaff. Life isn't about money and big houses or fancy cars and titles. It's about family and friends and our relationship with God and whether we love. We can't fit all that on a tombstone, so we carve our names and our dates of birth and death and hope that, somewhere between those two dates, life was well lived.

*- Philip Gulley*

## *Merle Glasoe*
