

Muriel Olson was born on August 7, 1920, in Baldwin, Wisconsin, the daughter of Arthur and Blanche (Jacobsen) Olson. As a small child she moved to North Dakota with her family. She attended school in Donnybrook, ND.

On September 19, 1940, she married Kenneth McIntosh in Plentywood, MT. The couple built a home on a farmstead near Donnybrook, ND and moved there on Thanksgiving Day, 1941. In 1968, the couple moved to Donnybrook where Muriel was a cook at the Donnybrook School for several years. Ken and Muriel moved to Minot in 1999. Kenneth died June 8, 2002. Muriel moved into Brentmoor in February of 2006.

Muriel was a member of the United Methodist Church of Donnybrook. She loved her flower gardens and won many Blue Ribbons for her ceramics. Muriel spent many happy hours quilting, crocheting and doing needle point work. As a grandma she always had a sweet treat for the grandkids.

Mother

*A word that holds the tender spell
of the dear essential things of earth.*

*A home, clean sunlit rooms,
and the smell of homemade bread.*

*A table spread, a glowing hearth,
and love beyond the dream of anyone.*

I search for words for her. And there are none.
