

Robert Paul Morrison was born November 19, 1966 in Minot, ND, the son of Robert and Betty (Deibert) Morrison. He attended grade school at Lewis and Clark Elementary in Minot and was active in Boy Scouts. He graduated from Bishop Ryan High School in 1985. While at Ryan he was active in football and track and was a student manager for basketball. Following graduation he attended the University of North Dakota in Grand Forks.

Paul was employed at K-Mart north, Broten Lumber and later at Piggly Wiggly, Minot. He worked at Sunmart in Fargo and returned to Minot to be at his mother's side after the passing of his father. He worked at the Minot Daily News until 2002 when ill health forced him to retire.

Paul was the kind of person who was always concerned about how others were doing before worrying about himself. He helped take care of many people in his apartment complex over the last year and felt good about what he did for other people. He was a genuine caring person who will be deeply missed by many.
