

This 'Is for You, Dad.....

An amazing, remarkable man
whose example guides me,
whose wisdom always points me
in the right direction, and whose
love I carry with me through every
turn of the road.

The things you have given me have
been some of the most priceless gifts
any person could have ever received.
And I thank you with all my heart for
giving them to me.
"I love you."

I have not gone away
I am not far
You only need to look
Inside your heart
I loved you then
I love you still
And most of all?
I always will...
