

Wings

*If I could I would give you wings
To lift you way up in the air
And you could find the rainbows
End cause wings would get you there*

*If I could I would give you wings
To carry you out of the storm
They'd take you higher than the wind
And you'd be safe and warm*

Wings

little wings

*Wings in the wink of an eye
Soon your little wings will be
Big enough to fly*

If I could

*I would give you wings
To lighten your heart through the years
They'd flutter soft around you then
And dry up all your tears*
