

LORENE

by Clem

*We will hold each other
thru all kinds of times.
We will need each other
in all good or bad times.
Whenever the sun rises
or darkness falls
I'll be near you
to hear your call.*

*To hold you in my arms
and kiss you good night.*

When God made you

He made you oh so right

*And I hope God made you just for me
to travel this world on land and sea,
In health and sickness we will be free*

*In all my life I'll know God made
You just for me.*

**My grandma and I had a special bond you see,
Because when I was little she took care of me.
We made memories she told me she'd never forget,
My grandma was the most loving,
caring woman I've ever met.
No matter who you are or what you did,
Stranger, friend, family or grandkid.
You were special to her in some way,
And she will remain special to us every single day.**
