

## **New Angel**

Hold her gently Jesus  
She was tired today  
She tried so hard to hide the pain  
And wipe the tears away.

You know how much she suffered Lord  
Yet loved you all the while  
You know how many heartaches  
Were hidden with a smile.

So hold her gently Jesus  
She was tired today  
And the pain she bore so patiently  
Became her crown today.
