

Life is a challenge,
almost like climbing a mountain.

The higher and older you get,
the harder it is.

Life is a precious thing,
that can't go to waste.

So live your life unexpectedly.

And don't wait for something to come to you,
you go to it.

Dream your dreams until they are reality.

Because you never know how short the road
will be.

Just lift your wings up and fly,
fly up high and don't look back.

You're an amazing, grandma, sister, mother,
and most importantly friend.

..I love you..
