

Good-bye Mom

Mom; we will miss you in all that we do
No one can ever take the place of you
We know you're with dad again
We also know how happy you are
All of our memories we will hold very dear
And we'll feel you comfort with every tear.
You taught us respect, courage and love.
So, please be proud, Mom, as you watch from above.
You touched so many lives along your way
And each of us here say "thank you" today.
Each night we will look for your star in the sky
The one that is bright and shining thru the night.
Until we meet again Mom and Dad
We love and miss you and just want to say thanks.
