

Inside Your Heart

*Right now I'm in a better place,
And though we seem apart,
I'm closer than I ever was ...
I'm there inside your heart.*

*I'm with you when you greet each day
And while the sun shines bright,
I'm there to share the sunsets too...
I'm with you every night.*

*The rainy days that we endured,
The joyful times we'd share—
Just look inside your loving heart,
And you will find them there.*

*And when that day arrives
That we no longer are apart,
I'll smile and hold you close to me...
Forever in my heart.
