

Afterglow

*I'd like the memory of me
to be a happy one.
I'd like to leave an afterglow
of smiles when life is done.
I'd like to leave an echo
whispering softly down the ways,
Of happy times and laughing times
and bright and sunny days.
I'd like the tears of those who
grieve, to dry before the sun
Of happy memories that I leave
When life is done.*

Ascension

*And if I go,
While you're still here...
Know that I live on,
Vibrating to a different measure
-behind a thin veil you cannot see
through.
You will not see me,
So you must have faith,
I wait for the time when we can soar
together again,
-both aware of each other.
Until then, live your life to its fullest.
And when you need me,
Just whisper my name in your heart.
...I will be there.*
