*"God could not be everywhere
So for our sake He made you"
You worry now "Are they OK?"
Is there more you could have done?
Where we are is where you have led us.
With your love you showed us the way.
To believe in ourselves
and decisions we make
Taking on the challenge of life
day to day.
And where we go; you can be sure,
You will never be alone.
Because where you are
matters most to us.
As that,
Will always be home*
