

To Be A Nurse Is To Walk With God

*To be a nurse is to walk with God,
Along the path that our Master trod;
To soothe the achings of human pain,
To faithfully serve for little gain,
To lovingly do the kindly deed,
A cup of water to one in need,
A tender hand on a fevered brow,
A word of cheer to those living now;
To reach the souls through its body's woe
Oh, this is the way that Jesus would go.
Oh, white-capped nurses with hearts so true,
Our Great Physician is working through you.*
